HEY READERS

Welcome aboard the very first edition of the electrifying SINDA ITEnable Newsletter – curated exclusively for you, by your very own ITE comrades!

Get ready to dive into the exciting world of SINDA programmes, specially tailored to fuel your passions and ambitions. From riveting events to transformative experiences, we've got it all covered!

Discover how you too can be a part of these mind-blowing programmes by visiting our website – it's just a scroll away at the bottom of this dazzling newsletter!

In this edition, we are featuring our very own inspiring ITE Alumni Daniel Ravindran, a lead mentor in our ITE Enable Peer Mentoring Programme. Let's hear what he has to say about the programme:

"Time well spent is how I would put it when it comes to volunteering in SINDA's ITEnable programme. Where I had the opportunity to meet highly passionate youths. Seeing them come back as mentors and spent time learning together shows how a strong community, we can build for the ITE students."

RECENT HAPPENINGS

Volleyball Programme

Our participants went on a 3-day journey learning the basics and having a full-fledged tournament on the last day.

May Peer Mentoring Session

During this session, participants learnt about imposter syndrome and how it happens to all of us at some point in their lifetime.

Financial Literacy Series: HDB Talk

During this session in the Financial Literacy Series participants learned about buying their first house, they also learned about the difference between BTO and a resale flat, and many more exciting things including HDB's new HFE letter and how this will benefit them.
